Below is **clean, chatbot-ready knowledge**, grouped exactly how a call-centre bot should think.

A. Hospital Identity (Bot Introduction Context)

Hospital Name: Ninewells Hospital (Pvt) Ltd

Tagline: *A Lifetime of Care*

Specialisation: Women & Child Care

Industry: Private Healthcare

Country: Sri Lanka

Bot intro example (context):

"I'm the Ninewells Hospital virtual assistant. How can I assist you today?."

B. Location & Contact Information

Address:

55/1, Kirimandala Mawatha,
Narahrenpita, Colombo 05, Sri Lanka

Main Hotline:

 +94 11 204 9999

Emergency:

 011 204 9988

Email:

 info@ninewellshospital.lk

C. Core Specialities (Intent Classification)

Your chatbot should recognise these as **primary user intents**:

1. Obstetrics & Maternity Care

- Normal deliveries
- Caesarean sections
- Labour rooms
- Delivery packages
- Antenatal & postnatal care

2. Gynaecology

- Women's health services
- Gynaecological surgeries
- Clinics & consultations

3. Paediatrics

- Child consultations
- Paediatric specialists
- Child wellness clinics

4. Neonatal Intensive Care Unit (NICU)

- Newborn intensive care
- Emergency newborn care
- Parent updates handled via staff

5. Fertility Centre

- Fertility consultations
 - Assisted reproductive services
-

D. Other Hospital Services (Secondary Intents)

- OPD (Outpatient Department)
 - ETU & Ambulance services
 - ICU & NICU
 - Blood Bank (24-hour)
 - Laboratory services
 - Radiology & Imaging
 - Physiotherapy
 - Dental unit
 - ENT unit
 - Pharmacy (24-hour)
 - Accommodation (rooms)
 - Vaccination unit
-

E. Appointment & Payments (Action Intents)

Consult a Doctor:

- Online appointment booking available

Make a Payment:

- Online payment supported

Laboratory Reports:

- Online lab report access available

Patient Registration:

- Registration support via hospital
-

F. Delivery Packages (Frequently Asked Questions)

Normal Delivery

- Deluxe Room: **LKR 110,000**

Caesarean Section

- Deluxe Room: **LKR 135,000**

Prices:

- Excluding VAT
- Subject to terms & conditions

For more package options:

 011 204 9999

G. Visiting Hours (Common Bot Question)

Visiting Hours:

5:00 AM – 10:00 PM

H. Helplines (Very Important for Routing)

Purpose	Contact
Maternity Helpline	070 552 0909
Surgery Packages	071 678 4451
Birth Registration Issues	011 204 9928 (Ext: 143)
Emergency	011 204 9988

I. ICU / NICU Patient Updates (Sensitive Intent)

Policy:

- ICU/NICU condition updates are **only given by nurses**
- Information is shared **only with immediate family members**

Bot response pattern:

“For patient condition updates in ICU/NICU, our nursing staff will directly communicate with immediate family members.”

J. Parking Information

- Parking available **inside hospital premises**
 - Additional parking land **100m away**
 - **Free parking** for patients and visitors
-

K. FAQs the Bot MUST Handle

Your chatbot should confidently answer:

- Visiting hours
 - Delivery packages & prices
 - Emergency contact
 - How to book a doctor
 - NICU/ICU updates policy
 - Blood bank availability
 - Parking availability
 - Surgery & package inquiries
 - Birth registration corrections
 - What to bring for delivery (PDF leaflet)
-

L. Tone & Personality Recommendation for Bot

Given the audience (expectant mothers, parents, families):

- Calm
- Reassuring
- Respectful
- Empathetic
- Simple language (no medical jargon unless asked)

DEMO DOCTOR LIST
